

INVITATION

The University of Johannesburg's Data Science Across Disciplines (DSAD) Research Group, housed in the Institute for the Future of Knowledge (IFK) and the Centre for Data Ethics (CDE), housed in the Institute of Intelligent Systems (IIS), will hold a three-part webinar series on "Ethics in the 4IR".

Part 2: Ethical Horizons: Navigating Tech Use in Higher Education

This webinar addresses the ethical questions arising from the digital transformation in higher education, including the use of technologies like online learning platforms, data analytics, and Large Language Models (LLMs) such as ChatGPT, emphasizing the essential engagement of students, academics, and researchers in this critical matter.

CHAIR ■ **Dr Anthony Kaziboni** – *Head of Research at the Institute for the Future of Knowledge, University of Johannesburg, South Africa.*

SPEAKERS:

Dr Martin Bekker – *Lecturer in the School of Electrical and Information Engineering, University of the Witwatersrand, South Africa.*

Professor Grace Leung – *Vice Dean of Teaching and Learning at the Faculty of Science, University of Johannesburg, South Africa.*

DATE ■ **Thursday 10 August 2023**

TIME ■ **17:00-18:30 SAST**

FORMAT ■ **Online via Zoom**
