

INVITATION

The University of Johannesburg's Data Science Across Disciplines (DSAD) Research Group, housed in the Institute for the Future of Knowledge (IFK) and the Centre for Data Ethics (CDE), housed in the Institute of Intelligent Systems (IIS), will hold a three-part webinar series on "Ethics in the 4IR".

Part 3: Data with Purpose: Ethical Health Data Collection and Usage

This third and final part of the webinar series probes into the ethical dilemmas surrounding the collection and use of data in healthcare. We will engage with issues surrounding data privacy, the autonomy of patients, and the responsible use of data for AI and Data Science.

CHAIR ■ **Professor Charis Harley** – *Head of the Data Science Across Disciplines (DSAD) Research Group at the Institute for the Future of Knowledge; and 4IR Professor in the Faculty of Engineering and the Built Environment (FEBE), University of Johannesburg, South Africa.*

SPEAKERS:

Professor Christopher Stein – *Lecturer and Masters Programme Coordinator, Emergency Medical Care, University of Johannesburg, South Africa.*

Professor Kennedy Otwombe – *Associate Professor at the School of Public Health; and the lead Statistician at the Perinatal HIV Research Unit (PHRU), University of the Witwatersrand, South Africa.*

DATE ■ **Thursday 17 August 2023**

TIME ■ **17:00-18:30 SAST**

FORMAT ■ **Online via Zoom**
